

15th March 2005

**Total Trading and Distribution Pty Ltd**  
**Attention :Mr. Frank Donald**

**RE :TO WHOM IT MAY CONCERN**

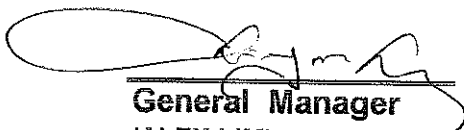

We hereby certify that all products blended and produced by United Oil Company Pte Ltd are based on ISO (International Standard Organisation), SAE (Society Of Automotive Engineers) grades and API (American Petroleum Institute) engine services classification system. These performance standards are the most recognised and acceptable International Standard. In spite of this, our company is certified by Lloyd's Register Quality Assurance under ISO 9001:2000 Quality Standards.

Our Company has a comprehensive testing laboratory to satisfy the requirements of these standard. In order to ensure the quality of the product, it is the company policy to issue the Certificate Of Analysis (COA) from the United Oil Company Testing Laboratory as a Quality Assurance document. In addition, our company is also licensed by American Petroleum Institute to display API's mark on our products beside being as an API member.

It is our Company Philosophy to integrate Quality Principles into every aspect of our business and to offer premium quality product backed by outstanding services to meet customer's needs.

Last but not least, this is to confirm that **US STAR LUBE** is a product of **UNITED OIL COMPANY PTE LTD SINGAPORE**.

With regards

  
**General Manager**  
**(ALEX LIM)**
