DEAR DARREN

AS YOU ARE AWARE WE ARE USING UNITED OILS & LUBRICANTS IN OUR
BRIFFA SMASH REPAIRS HOLDEN COMMODORE SS Z AUSTRALIAN
PRODUCTION CAR CHAMPIONSHIP WINNING CAR.

FOR THE PAST 18 MONTHS YOUR COMPANY HAS BEEN PROVIDING THE BRIFFA
RACING TEAM WITH, IN OUR OPINION A VITAL PART OF THE SMOOTH
RUNNING OF OUR RACE CAR ENGINES, YOUR DX 1 HIGH PERFORMANCE
ENGINE OIL FOR EXAMPLE HAS PROVEN IT'S SELF TIME AND TIME AGAIN AS A
PREMIUM LUBRICANT

SINCE WE HAVE STEPPED BACK INTO THE WORLD OF RACING WE HAVE
TRIALLED MANY PRODUCTS IN OUR ENGINES AND YOUR HIGH GRADE
LUBRICANTS ARE WITHOUT A DOUBT THE BEST TO DATE.

TO COIN A WELL USED LINE.....OILS AINT OILS AND WE ARE WELL AWARE
THAT IN RACING AND OR STANDARD ON ROAD VEHICLES THE FLUIDS
NECESSARY TO RUN OUR ENGINES CAN ENHANCE OR REDUCE THE
PERFORMANCE OF FUEL ECONOMY & MOVEMENT OF MECHANICAL
COMPONENTS.

WE HAVE NO HESITATION IN HIGHLY RECOMMENDING TO THE RACING
FRATERNITY AND NORMAL DAY TO DAY MOTOR VEHICLE OWNERS YOUR
PRODUCTS.

WE THANK YOU FOR YOUR SPONSORSHIP OVER THE PAST 18 MONTHS AND
ARE LOOKING FORWARD TO A CONTINUED ASSOCIATION.

REGARDS

STEVEN BRIFFA
